MAKE UP

Cut the yarn, leaving a long tail to sew the back seam.

Pass the thread through the remaining sts, with the help of a tapestry needle.

Sew the back seam together.

I advise you to use an invisible seam but you can use the method you prefer.

Weave in the yarn ends.

I advise you to weave the yarn on bottom of the right side of work because, as the bottom of the hat is rolled up, it will stay hidden.

Block the piece.

Suggestion: Add a cute pompom to the top of the hat.
