

Welcome to my Knitting Designs.

By L.T. Marshall

I have been creating knitting patterns for many years for my own benefit and finally decided to write them down for sale.

I occasionally share free patterns on my website.

I would say they're suitable for someone with intermediate skill, although a beginner may be able to do just as well with a little more time and patience.

Have fun creating these collectible characters for your family and friends.

You can find my creations online, but I am now an author by the name L.T.Marshall. I have a YouTube channel under my new brand - One Creative Family.
