

Baby Force Master

Knitting Pattern
by L.T.Marshall

I have been creating knitting patterns for many years for my own benefit and finally decided to write them down for sale. I occasionally share free patterns on my website.

I would say they're suitable for someone with intermediate skill, although a beginner may be able to do just as well with a little more time and patience.

Have fun creating these collectible characters for your family and friends. You can find my creations online under the name Liana Marcel which was my business name for a number of years, but I am now an author by the name L.T.Marshall. I have a YouTube channel and Fb page under my new brand -

One Creative Family.

To Make Up

Flatten the base piece out and it should form a circle, sew edges to complete the circle shape. Place just inside the bottom of the body to cap the end closed and sew just inside the bottom edge to keep the base flat. Do not overstuff the base or this will bulge out.

To make up.

Join the side seams and sew down to the cast on edge. Flatten the ear but move the seam to the centre back before closing the base and sewing shut in a flattened shape. You should have an elongated triangle.

Then take the two outer bottom edges and fold them into the bottom centre to create the ear shape as pictured. Sew in place and then position on each side of the head as pictured and sew firmly.

Use pink sharpie marker to lightly blush inside the deepest part of the ear, fading as it peeks out.

To finish

You now need to make two chains of 5 stitches each, using the finger knit method.

These are placed just over each eye as pictured and sewn in place to create eyelids.

Sew 3-4 stitches in one place at nose position to create a tiny nose.

Use sharpie marker to blush his cheeks, tip of his nose and top of his eyelids for the flushed baby look of the Yoda in the Mandelorian.

And you are done.

Hope you enjoyed this pattern and feel free to share in groups or to friends.

Happy knitting.
