Havre

by The Blue Mouse

Materials
- US Size 11 (8.0 mm) circular needles (16-24")
- 135 yards of Bulky (#5) weight yarn
  - I used less than 1 ball of Patons Alpaca Blend in the color 'Oats'
- Yarn Needle
- Stitch Marker

Measurements (one size)
- 23" around
- 12.5" tall

Gauge (4x4 ribbing - blocked)
- 12sts & 16 rows = 4"
  - Row gauge is not as important as stitch gauge. If your row gauge is off just work the cowl until it measures 12.5" tall then bind off.

Abbreviations
- K = Knit (K3 = knit 3)
- P = Purl (P5 = purl 5)
- CO = Cast On
- BO = Bind Off

Pattern Notes
- Whatever blocking method you use to match gauge with your swatch, use that same method to block your final project
- There is a full tutorial video for this pattern if you're having trouble with it.

Coupon Code for Patons Alpaca Blend
- Get 20% off of Patons Alpaca Blend on yarnspirations.com by following this link
- And using coupon Code: BLM20PTAP

Havre Cowl

- **Loosely CO 72sts** (73 if you're using the invisible join in the round)
- Place marker and join in the round (if using the invisible join in the round you should have 72sts at the end)
- **Rows 1-50:** *K4, P4 repeat from * to end of the row
- Bind off loosely
  - I used the standard knit bind off. If you bind off really tightly, try binding off with a larger needle (maybe a US 13).
- Block your project, weave in your ends and you're good to go!
