BY STEPHANIE EARP

Worked from the top down, this stranded colourwork sweater offers a simple 2-colour yoke chart that comes to life when worked in a colour-changing yarn like Noro Kureyon. The yoke chart is easy to work, without any long floats, but its non-repeating asymmetry is engaging and fun to watch develop.

Choosing a Size: With a wide size range and optional instructions for straight, hourglass and inverted triangle waist shaping, this sweater is unisex, with complete instructions for tall sizing as well. Body and sleeve lengths are different for Standard and Tall sizing; be sure to note the yardage requirements too. Wear this with 2-3" of positive ease, for a classic fit, or with more ease as desired.

Shown in Size 6, with 10" of ease, with straight body shaping
