

The Sweetie Snowman

Frosty

Knitting pattern by **Cheryx**

Needles

- Two pairs of 2mm knitting needles
(You can use straight or circular needles)

Materials

- Toy filling (less than 50g)
- 5 Holders
- 2 markers
- Small multicolored beads, 3 mm in size
- Sewing needle
- Scissors
- Sewing pins

Notes

- **Size:** The finished toy is 22cm tall
- **Work flat:** All pieces are knitted flat
- **Casting on:** I prefer to use the long tail cast on for all pieces.
- **Sewing seams:** Use Mattress Stitch and Whip stitch to sew the seams.

Yarns

Less than 100g in each colour:

- Susan's Family Alpaca

- Susan's Family Shetland

- *The black yarn is only used to embroider the snowman's two arms, and it requires very little yarn, so you can use any black yarn you have as long as the yarn size is suitable.*

Please note:

If you use the same yarn I did – Susan Alpaca and Shetland , you will need to double the yarn and use 2mm knitting needles.

Alternatively, you can choose other yarn weights that do not require doubling, as long as the needle size is suitable.
